

Ultraaqua - General Terms of Sale and Delivery 01-2017

1 Scope of Application

1.1 All sales, deliveries and services (hereinafter collectively the "Services") of Ultraaqua A/S and its affiliated companies domiciled in Denmark ("Ultraaqua") are exclusively subject to the following General Terms of Sale and Delivery. Customers' general terms and conditions of business which deviate from these General Terms of Sale and Delivery or from the law will not be accepted, and they will also not become part of a contract if Ultraaqua accepts or executes orders from the customer in awareness of the customer's opposing or deviating terms and conditions of business.

2 Subject Matter and Scope of Services (Offers, Samples, Guarantees, Conclusion of Contracts)

2.1 All offers of Ultraaqua are nonbinding and without engagement unless specifically agreed otherwise. Contracts shall be deemed concluded only after Ultraaqua has issued a written order confirmation, effected delivery of the goods ordered or performed the Service.

The correctness of the information provided by the customer upon which Ultraaqua's offer or order confirmation is based, and shall also not be obligated to investigate if the execution of the customer's order based on such information infringes any third-party property rights. The customer will be advised of all risks which are identified by Ultraaqua.

2.2 The data and information included in data sheets, brochures and other promotional and information material of Ultraaqua serve solely as a guideline and become a binding part of a contract only upon the express written consent of Ultraaqua.

2.3 Characteristics and properties of samples and specimens are only binding if expressly so agreed.

2.4 Information about the quality, condition and (shelf-)life of products shall be deemed to be guarantees only if expressly designated as such. The same applies to the assumption of a procurement risk.

2.5 Unless otherwise agreed in writing, Ultraaqua will deliver products within the tolerances admissible under the relevant Danish or European technical standards, in particular DIN, VDE, EN ISO or similar standards.

2.6 Technical changes which are required for manufacturing reasons, or which are necessary due to legislative changes, or which serve the product update and maintenance, shall be admissible if they are reasonable for the customer.

3 Delivery, Delivery Periods, Packaging, Passing of the Risk

3.1 The type and scope of Ultraaqua's Services and the delivery periods are determined by the written order confirmation of Ultraaqua. Ultraaqua shall be entitled to the partial performance of Services if this is reasonable for the customer.

If the customer wishes to call off portions of an agreed total quantity for delivery in several partial deliveries, the customer shall spread such call-offs evenly over the delivery period. The call-off of more than 10% of the total quantity of one partial delivery on one date is subject to the prior written consent of Ultraaqua.

3.2 The delivery period commences to run only after all issues which are essential for the performance of the contract have been clarified with the customer and after the customer has performed all essential acts incumbent on him which are required for the performance of the contract by Ultraaqua. In particular, the delivery period does not commence to run until Ultraaqua has received all information from the customer which is required to effect delivery, or until the customer has furnished proof that, if required, he has opened a letter of credit, effected prepayment or provided a security, as agreed in the contract. The delivery period will be interrupted by subsequent changes

requested by the customer. After agreement about the desired changes has been achieved, the delivery period re-commences to run.

3.3 Acts of God, labor disputes, riots, governmental acts and similar circumstances beyond the control of Ultraaqua (force majeure) release Ultraaqua from its obligation to perform a contract for so long as and to the extent that the effects of such force majeure circumstances persist. This applies also if such force majeure circumstances occur to sub-suppliers of Ultraaqua or if they occur at a point in time at which Ultraaqua has already been in default. Ultraaqua will inform the customer of the commencement and of the end of such hindrances to the performance of the Services without delay.

3.4 The products of Ultraaqua are generally unpacked. If the customer desires packaging, the costs will be borne by the customer.

3.5 Ultraaqua delivers 'ex factory'/'ex works' (Incoterms 2010)

2010). If Ultraaqua solely organizes the transport, the costs of dispatch and the costs of transport insurance will be borne by the customer.

3.6 The price risk (i.e. the risk of accidental loss or accidental deterioration) shall pass to the customer at that point in time at which the goods are placed at the customer's disposal at the factory/works from which delivery is effected, even if Ultraaqua has accepted to perform additional services such as loading or transportation of the goods.

If the performance of a Service is delayed for reasons within the customer's responsibility, the risk shall pass to the customer upon receipt of a notification that the Service is ready to be performed. In such case, Ultraaqua will be permitted to invoice the goods to the customer as having been delivered, and to store the goods at the customer's cost and risk. Upon request of the customer, Ultraaqua will insure these goods against theft and damage from breakage, transport, fire and water at the customer's cost.

4 Prices, Payment, Default

4.1 The prices quoted by Ultraaqua are exclusive of the statutory value-added tax, outer packaging, shipping charges and insurance costs ('ex works', Incoterms 2010).

4.2 Invoices are due for payment immediately upon receipt and without any deductions. Cheques will not be accepted on account of performance only. The customer agrees to the electronic transmission of the invoice.

4.3 Ultraaqua charges interest for default in payment at the rate of twelve (12) percentage points above the applicable base rate. The right to furnish proof of a higher or further damage caused by default remains reserved.

4.4 Ultraaqua shall not be obligated to perform the contract for so long as the customer fails to perform his own obligations according to contract, including his obligations from other contracts with Ultraaqua and, in particular, if the customer defaults in the timely payment of invoices due.

4.5 The customer may offset counterclaims or withhold payment based on such counterclaims only if such counterclaims are uncontested in writing or non-appealable.

4.6 If the customer is in default of payment or if there are circumstances which, when applying customary banking standards, justify doubts about the customer's ability to pay, Ultraaqua will be entitled to perform outstanding Services only against payment in advance or subject to the provision of a security. In such case, Ultraaqua will be permitted to declare all of its claims against the customer immediately due for payment, irrespective of the term of any bills of exchange, and demand securities.

4.7 Subject to evidence of a higher damage, Ultraaqua will charge 10.00 € for the second and each further reasonable reminder.

4.8 If, despite a reasonable time limit, a Service which is ready for acceptance is not fully accepted or is accepted too late through no fault of Ultraaqua, Ultraaqua will place the goods in storage at the customer's cost and risk. For such storage Ultraaqua will charge 0.5% of the invoice amount for each month of the delay in acceptance.

5 Warranty, Duties of the Customer regarding Claims for Defects by his own Customers; Liability and Damages

5.1 Slight deviations from the agreed or standard quality do not constitute a defect in a product or Service. General information on the use of a product or examples for the application of a product given by Ultraaqua in product brochures or other advertising media do not release the customer from a careful inspection of the delivered product for its fitness for the customer's particular purpose of use. The customer's special requests regarding the particular use of a product shall only be authoritative if Ultraaqua has confirmed to customer in writing at the time of conclusion of the contract that the product delivered is fit for the customer's intended purpose of use.

5.2 The customer shall notify Ultraaqua without delay of all claims for defects which are asserted by his own customers and which relate to Services of Ultraaqua, otherwise the customer's claims for defects against Ultraaqua will be excluded. In addition, the customer shall preserve evidence in the requisite form and provide such evidence to Ultraaqua.

Ultraaqua may reclaim from the customer a product complained of as defective (including any existing supporting documents, samples and packing slips) for investigation of the defect. The customer's failure to

comply with this reasonable request will result in the exclusion of the customer's claims for defects or incompleteness of Service. The same applies to any claims for defects which are asserted against the customer by his own customers and which relate to service of Ultraaqua.

5.3 For defects in a product, Ultraaqua's obligation perform to the contract shall, at its choice, consist subsequent of performance by remedy of the defect or delivery of a fault free product. The customer will be entitled to cancel the contract or to reduce the purchase price in accordance with the statutory provisions only if the subsequent performance by Ultraaqua has failed twice or is unreasonable and the defect complained of is not merely a minor defect. Claims for damages are governed by the provisions in clause 5.6 hereof.

5.4 The compensation of any loss or damage is excluded if and to the extent that such loss or damage is caused by the improper use, modification, assembly, installation and/or operation of the products of Ultraaqua,

or by defective instructions of the customer, and not by a fault on the part of Ultraaqua. The liability of Ultraaqua for defects in materials which are supplied by the customer and processed by Ultraaqua is excluded if such defects are caused by the characteristics and properties of the materials so supplied. If defects in the materials supplied by the customer should render these materials unusable during their processing by Ultraaqua, the customer will nevertheless be obligated to reimburse Ultraaqua for its processing expenditure.

5.5 Any and all claims against Ultraaqua from the express assumption or acceptance of a guarantee, warranty or a procurement risk, or from the culpable injury to the life, body or health of any person, as well as any claims under the Danish Product Liability Act and any other claims arising from a willful or grossly negligent breach of duty by Ultraaqua become statute-barred in accordance with the statutory provisions. Above and beyond the foregoing, any claims for material defects and defects of title become barred by the statute of limitations after twelve (12) months from the passing of the risk.

5.6 Ultraaqua will assume unlimited liability in cases where Ultraaqua has expressly assumed a guaranty/ warranty or a procurement risk, in

the case of a culpable injury to the life, body or health of any person, for claims under the Danish Product Liability Act, and for other willful or grossly negligent breaches of duty by Ultraaqua. In the case of slight or ordinary negligence and damage to property or pecuniary losses caused thereby, Ultraaqua will assume liability only for its breach of essential contractual duties the performance of which is indispensable for the proper fulfillment of the contract and the performance of which the customer must be able to specifically rely upon; however, such liability of Ultraaqua is limited to the damage which is typical of the contract and which was foreseeable at the time of contracting. The liability of Ultraaqua for delay is limited to

0.5% of the value of the Service in delay per each completed week of such delay, up to a maximum rate of

5% of the said value. Any further liability for damages is excluded, irrespective of the legal nature of the claim asserted.

5.7 The foregoing limitations of liability apply on the merits and in terms of amount also to Ultraaqua's legal representatives, agents and employees and/or other persons in Ultraaqua's services.

6 Reservation of Title

6.1 Ultraaqua retains title to all products delivered until the customer has fully satisfied all of his payment obligations from the business relationship with Ultraaqua. This applies also if payments are made in satisfaction of specially designated claims, including claims from cheques and bills of exchange, from open bills or current account.

6.2 The customer shall have the right to resell, process, mix, blend or combine the goods subject to reservation of title with other items during his ordinary course of business until revocation by Ultraaqua, which revocation may be declared at any time and without giving reasons. A resale of the goods subject to reservation of title within the meaning herein defined extends also to the installation of such goods in ground and buildings, or their installation in facilities connected to buildings, or their use for the performance of other contracts.

6.3 The processing or transformation of the goods subject to reservation of title is made for Ultraaqua as the manufacturer within the meaning defined in Section 950 of the Danish Civil Code (BGB) without resulting in any obligation on the part of Ultraaqua. The processed or transformed goods shall constitute goods subject to the reservation of title within the meaning of these General Terms of Sale and Delivery. If the goods subject to reservation of title are processed or inseparably blended/combined with other items which are not owned by Ultraaqua, Ultraaqua acquires a co-ownership of the resulting new item in the ratio of the invoice value of the goods subject to reservation of title and the replacement value of the other items used at the time of such processing or blending/combining. If the goods subject to reservation of title are combined or inseparably blended with other items not owned by Ultraaqua into a uniform item which is to be regarded as main item, the customer hereby assigns to Ultraaqua a share of co-ownership which is proportionate to the customer's ownership of the main item. Ultraaqua hereby accepts this assignment. The customer will hold the property so created on behalf of Ultraaqua free of charge.

6.4 The customer shall insure the goods subject to reservation of title at his own cost against all standard risks, in particular against fire, burglary and water hazards, handle these goods with care and store them properly.

6.5 In the event of a resale of the goods subject to reservation of title by the customer, the customer hereby immediately assigns to Ultraaqua the purchase price claims against his own customers arising from such resale. If the customer resells the goods subject to reservation of title together with other items not delivered by Ultraaqua, the foregoing assignment applies only in the amount of the value of the goods subject to reservation of title which is specified in the invoice of Ultraaqua. In the case of a resale of items in which Ultraaqua has a co-ownership pursuant to clause 6.3, such assignment applies in the amount of Ultraaqua's co-ownership. The assigned claims serve as security in the same scope as the goods subject to reservation of title. If an assigned claim is included in a current account, the customer

hereby immediately assigns to Ultraaqua a balance which corresponds to such claim from current account. Ultraaqua hereby accepts the said assignment of claims.

6.6 The customer shall have the right to collect, within his ordinary course of business, the claims assigned to him by Ultraaqua until revocation by Ultraaqua, which revocation may be declared at any time and for no specific reason; this collection right becomes automatically extinct without revocation as soon as the customer defaults in any of his payments to Ultraaqua. If payment is made by direct debiting, the customer will ensure by prior agreement with his bank that the

amounts received are exempt from the bank's lien and that he is at all times able to meet his obligation to transfer his proceeds to Ultraaqua. At the request of Ultraaqua, the customer will inform his own customers of the assignment of future claims to Ultraaqua and provide Ultraaqua with any and all information and documentation which is required for the assertion of these claims.

6.7 If the aggregate value of the securities existing for Ultraaqua exceeds the claims of Ultraaqua by more than 10%, Ultraaqua will release additional securities of its own choice at the request of the customer.

6.8 Above and beyond the foregoing, the customer is not entitled to make any dispositions in respect of the goods subject to reservation of title (liens, pledging of security interests or other assignments in respect of the claims specified in clause 6.5. In the event of an attachment or seizure of the goods subject to reservation of title, the customer will point out that these goods are the property of Ultraaqua and will notify Ultraaqua of such attachment or seizure without delay, also in writing.

6.9 If the customer is in default of payment and a grace period fixed by Ultraaqua has elapsed without payment being effected, Ultraaqua is entitled to take back the goods subject to reservation of title also if Ultraaqua has not rescinded the contract.

7 Choice of Law, Place of Performance, Place of Jurisdiction

8.1 These General Terms of Delivery and any agreement between Ultraaqua and the customer shall be governed by and construed in accordance with the law of Denmark, without giving effect to its conflict of law provisions and without giving effect to the UN Convention on Contracts for the International Sale of Goods of 11 April 1980 (CISG).

8.2 The place of performance for the Services of Ultraaqua is the factory/works from which delivery is effected; the place of performance for the customer's payments is Ultraaqua's registered place of business.

8.3 The place of jurisdiction, also for actions on cheques and bills of exchange, is the registered place of business of Ultraaqua. However, Ultraaqua shall be entitled to recourse in any court having jurisdiction as to the respective legal action under the laws of Denmark or under the laws of the country in which the customer has his registered place of business.
